

Trophies Unlimited Whitetail

RyLee

These are some of the kids of Trophies Unlimited Whitetail ranch, Steve and Terri Moss, in Chico, Texas.

Kaycee, 8 years old, is the niece of Terrie and Steve. She loves to come visit Aunt Terrie during AI and fawning season. Kaycee loves everything about the deer and doesn't want to ever leave them. Last year during AI she fell asleep on some feed sacks.

Same goes for their great niece, RyLee who is 5 years old. She loved feeding and petting the deer on her first visit to the ranch.

The Moss's own granddaughter, Brylie, 6 years old, loves to kiss and pet the fawns. She cannot wait to come over to Grammy's house so she can see all the deer.

MASON DEVENY

Mossy Rock Whitetails

Mason's passion for the outdoors started at a young age. Mason is the son of Marissa and Michael Deveny, Mossy Rock Whitetails. At the early age of 18 months he assists his dad on the ranch. He loves to help feed deer, throw peanuts, and clean (play) water troughs in the deer pens. His favorite activity on the ranch is riding in mom or dad's lap while driving the mule. Mason is on his way to be the next generation of deer farmers.
